

Appendix II  7daysRecall WEB

Instructions
In this study, the answers are divided into three sections over one day.
Definition of the morning from wake up to lunch
Definition of the afternoon from lunch to dinner
Definition of the night from the dinner to bed time

Recall activities in each category. Please select a different time for exercise intensity.
Exercise intensity is a choice of five "light" "moderate" " moderate /high" " high" " very hard".
Definitions of intensity and activities, please always check the Appendix table with illustrations.
If you have activities that are not listed in the table, choose similar activities and activities that are
listed in the table and please select the exercise intensity.

Interactive intensity quizzes (the first and second day)
For the answer look at the table in the Appendix that has illustrations

Q. 1  "Walking" Which of the following applies to the intensity?
   - light
   - moderate
   - moderate /high
   - high
   - very hard

Q. 2  "Cleaning, washing, cooking" Which of the following applies to the intensity?
   - light
   - moderate
   - moderate /high
   - high
   - very hard

※The above two questions are an example. Keep answering the questions until you answer two
questions correctly in a row.
Appendix II

Today is Monday the 1st of September.

We would like to ask you about your sleep time. What time did you go to bed last night? What time did you wake up this morning?

<table>
<thead>
<tr>
<th>Bedtime</th>
<th>h</th>
<th>min</th>
</tr>
</thead>
<tbody>
<tr>
<td>Wake-up time</td>
<td>h</td>
<td>min</td>
</tr>
</tbody>
</table>

Where did you go today? What did you do? Did you do anything special? Please try and recall your activities as accurately as possible. Please select the time that you actually spent moving your body whilst performing the following activities.

The selections below refer to the activities you performed in the morning (from wake up to lunch).

light

moderate

moderate /high

high

very hard

The selections below refer to the activities you performed in the afternoon (from lunch to dinner).

light

moderate

moderate /high

high

very hard
Appendix II

The selections below refer to the activities you performed in the night (from the dinner to bed time).

- light: [ ] hours [ ] min
- moderate: [ ] hours [ ] min
- moderate/high: [ ] hours [ ] min
- high: [ ] hours [ ] min
- very hard: [ ] hours [ ] min

Look back over yesterday's activity, did you forget to include any activity?
Did you move your body at work or performing recreational sports or activity such as walking?

- [ ] You want to modify the activities of the morning
- [ ] You want to modify the activities of the afternoon
- [ ] You want to modify the activities of the night
- [ ] The activities are all correct

Today's input is completed.
We ask for your cooperation in the remaining six days. Thank you.
