Correction of: <https://www.jmir.org/2026/1/e84756/>

J Med Internet Res 2026;28:e101728; doi: [10.2196/101728](https://doi.org/10.2196/101728)

In “Hybrid Care Modifications in the Delivery of Non-pandemic Care During the COVID-19 Pandemic: Scoping Review” [1], the authors noted one error.

The funding information has been added to the end of the article as follows:

This study was funded by the European Union. Views and opinions expressed are, however, those of the authors only and do not necessarily reflect those of the European Union or the European Health and Digital Executive Agency (HaDEA). Neither the European

Union nor the granting authority can be held responsible for them. The funder had no involvement in the study design, data collection, analysis, interpretation, or writing of the manuscript.

The correction will appear in the online version of the paper on the JMIR Publications website, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.
