(*J Med Internet Res* 2026;28:e88640) doi: [10.2196/88640](https://doi.org/10.2196/88640)

In “Combining Artificial Intelligence and Human Support in Mental Health: Digital Intervention With Comparable Effectiveness to Human-Delivered Care” [1], the authors noted one error.

Author CH-J was previously listed with no academic qualifications. His qualification has been revised to “MSc.”

The correction will appear in the online version of the paper on the JMIR Publications website, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.
