Correction of: <https://www.jmir.org/2026/1/e83075/>

J Med Internet Res 2026;28:e93515; doi: [10.2196/93515](https://doi.org/10.2196/93515)

In “User Profiles and Engagement in a Hypertension Self-Management App: Cross-Sectional Survey” [1], the authors noted an error in the order of affiliations 1 to 6, which was introduced during the production process.

The affiliation order was revised from the following:

¹Hypertension Center Munich, Munich, Germany

²Center for Health Services Research, Faculty of Health Sciences Brandenburg, Brandenburg Medical School, Rüdersdorf, Ruedersdorf bei Berlin, Germany

³Department of Cardiology, Angiology and Intensive Care Medicine, Deutsches Herzzentrum der Charité, Berlin, Germany

⁴Charité – Universitätsmedizin Berlin, corporate member of Freie Universität Berlin and Humboldt-Universität zu Berlin, Berlin, Germany

⁵Université Grenoble Alpes, CNRS, Grenoble INP, LIG Sangria, Grenoble, France

⁶Hypertension Care UG, Ingolstadt, Germany

The order of the affiliations now reads:

¹Center for Health Services Research, Faculty of Health Sciences Brandenburg, Brandenburg Medical School, Rüdersdorf, Ruedersdorf bei Berlin, Germany

²Department of Cardiology, Angiology and Intensive Care Medicine, Deutsches Herzzentrum der Charité, Berlin, Germany

³Charité – Universitätsmedizin Berlin, corporate member of Freie Universität Berlin and Humboldt-Universität zu Berlin, Berlin, Germany

⁴Université Grenoble Alpes, CNRS, Grenoble INP, LIG Sangria, Grenoble, France

⁵Hypertension Care UG, Ingolstadt, Germany

⁶Hypertension Center Munich, Munich, Germany

The correction will appear in the online version of the paper on the JMIR Publications website, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other

full-text repositories, the corrected article has also been resubmitted to those repositories.
